- ◆ Technical Login Support is available from this site.

What to Expect:

This special broadcast features “Horse Song”, a diabetes education video produced by IHS' Four Directions Communications and Northern Navajo Medical Center. This innovative drama portrays the challenges faced by a Navajo family in dealing with diabetes. The program incorporates the Navajo language and culture into this outreach tool. Our Medicine Dish viewers may want to use this video for future diabetes education activities.

This Broadcast will be Pre-recorded.

Materials related to this broadcast will be posted on the CMS AI/AN website at <http://www.cms.hhs.gov/AIAN/MedicineDishBroadcasts.asp>.
